Application No. 10/090,571

Attorney Docket No. 911-4100

ON PETITION.

This is a renewed decision on the petition, filed August 3, 2007 and supplemented on February 20, 2008, under 37 CFR 1.137(b) to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the non-final Office action mailed February 13, 2003, which set a shortened statutory period for reply of three(3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on May 14, 2003.

The application has been abandoned for an extended period of time. The Patent and Trademark Office is relying on petitioner's duty of candor and good faith and accepting the statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. See Changes to Patent Practice and Procedure, 62 Fed. Reg. at 53160 and 53178; 1203 Off. Gaz. Pat. Office at 88 and 103 (responses to comments 64 and 109) (applicant obligated under 37 CFR 10.18 to inquire into the underlying facts and circumstances when providing the statement required by 37 CFR 1.137(b) to the Patent and Trademark Office).

The application file is being forwarded to Technology Center 3700, Art Unit 3711 for consideration.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3213.
